

UNIVERSAL SALES

Irripod Flexible Irrigation

www.universalsales.biz ~ PH 541-998-9999 ~ FX 541-998-9998

PRODUCT UPDATE

4-1-2012

- Irripod has a new saddle design that uses an O-Ring instead of the old disc style gasket.
- The new O-Ring that comes with the new pod kit **WILL NOT** work with the old style saddles.
- If you have any old style saddles in stock that you would like to trade out for the new style, contact our customer service department: 541-998-9999.
