48205

Siphon King
48072 (36" pump)

Pumps 1/4 gallon per stroke.

An excellent hand pump for removing water from water meter and valve boxes.

Works well for pumping water out of holes dug to repair irrigation piping.

Corrosion proof plastic, non-sparking, lightweight, needs no priming, and has a 72" long flexible outlet hose.

FOB: Junction City, OR 97448

Effective: 3-1-09
